HAD AN AWFUL TIME.

BUT CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY CURED HIM.

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy. — Sam. H. Gwin, Concord, Va. Globe Drug Store, C. D. Hunter, Prop.

A teacher in explaining the different kinds of sentences to her class asked what it would be if she said, "I am looking for a man." "I don't know," said the boy at foot of the class. "but I guess it would be the truth."

REMEDY FOR DIARRHOEA NEVER KNOWN TO FAIL.

"I want to say a few words for Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used this preparation in my family for the past five years and have recommended it to a number of people in York county and have never known it to fail to effect a cure in any instance. I feel that I can not say too much for the best remedy of the kind in the world." — S. Jamison, Spring Grove, York County, Pa. This remedy is sold by Globe Drug Store, C. D. Hunter, Prop.

If your stomach troubles you do not conclude that there is no cure, for a great many have been permanently cured by Chamberlain's Stomach and Liver Tablets. Get a sample at C. D. Hunter's drug store and give them a trial. They also cure constipation and biliousness.

LOOKS GOOD TO STRANGERS.

James Keyes of Ohio Expresses Optimistic Views Regarding Our Town and County.

James Keyes, of Columbus, Ohio, was in Versailles this week looking after his extensive land holdings in this county. He owns a section of land in the vicinity of Proctor and what is known as the Jones farm south of this city. Mr. Keyes was met here Monday by H. W. Sisson of Chicago and an Indiana gentleman named Powers, who were out over the land. Mr. Sisson is a man of means and it is his intention to secure this excellent farming property for the purpose of establishing an extensive stock ranch in this county where standard breeds can be raised for the markets, and it is likely the deal will be perfected at once.

Mr. Keyes has made frequent trips to this county and while in the Democrat office Tuesday morning commented most favorably on the situation in this locality. He is a man of superior judgment and takes note of developments generally. He said:

"We drove over the country and without exception Morgan county gives promise of the best general crops of any territory we have visited, not excepting the states of Ohio, Indiana and Illinois. Not only that, I can notice that developments in all industrial lines are now opening up and channels that were dormant on my former visits now have a lively air and capitalists are beginning to look to this, which appears to them to be a new country, for openings wherein they can make investments that will bring them dividends on their money and at the same time bring land values up to a higher standard."

These gentlemen were all very much enthused over the future prospects of Versailles and the many features presented at this time which to them meant volumes favorable to our town. The power proposition which the citizens had by their vote practically settled was a step forward which, while they do not realize it now, will do more to advance the city than any one move that has ever been presented. With steady electric power generated and ready for use at any and all times at once captivates the manufacturer seeking a location for his enterprise. The next thing he considers is cheap land and fuel, then facilities for reaching the big markets of the country. All of these essentials are to be found in this field with Versailles as the central point. With these superior advantages there is nothing that can prevent your lively little city from reaching that goal of industrial progress for which so many other cities have been trying but who have failed because they could not make good in the very essentials your town and county possess.

There will be no false boom in this city. It will be as steady as a clock. It has already started and one good thing brings another. Within the next few years the "I told you so" ornament will be to the front forced there by his more optimistic neighbor who has gone on with tide and with cheerful mein has grabbed progression by the horns and grimly hangs on as we go forward to the height of industrial and commercial excellence.

OUTWITS THE SURGEON.
A complication of female troubles, with catarrh of the stomach and bowels, had reduced Mrs. Thos. S. Austin, of Leavenworth, Ind., to such a deplorable condition, that her doctor advised an operation; but her husband fearing fatal results, postponed this to try Electric Bitters; and to the amazement of all who knew her, this medicine completely cured her. Guaranteed cure for torpid liver, kidney disease, biliousness, jaundice, chills and fever, general debility, nervousness and blood poisoning. Best tonic made. Price 50c by Muntzel Drug Co. Try it.

There is existing with many people a wrong idea of The Keeley Cure—they think it makes one ill for a few days; or it destroys the mind at first or last; or that there are hardships connected with the treatment. In no case is this true. There is a noticeable improvement from the start; the mind strengthens and recovers its normal condition and as the drugs or alcohol is eliminated a healthy condition is builded.

A. A. Herren, Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for cough, colds and lung trouble. I know that it has cured consumption in the first stages." You never heard of any one using Foley's Honey and Tar and not being satisfied. D. C. Hardy.

A LESSON IN HEALTH.

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and positively cure all forms of kidney and bladder disease. It strengthens the whole system. D. C. Hardy.

W. R. Ward, of Dyersburg, Tenn., writes: "This is to certify that I have used Foley's Kidney Cure for chronic constipation, and it has proven, without a doubt, to be a thorough, practical remedy for this trouble, and it is with pleasure I offer my conscientious reference." D. C. Hardy.

We suppose a man is called "woman's protector" for the reason that he protects her from others imposing upon her, preferring to do it all himself. — Atchison Globe.

WHAT A NEW JERSEY EDITOR SAYS

M. T. Lynch, Editor of the Phillipsburg, N. J., Daily Post, writes: "I have used many kinds of medicines for coughs and colds in my family but never any thing so good as Foley's Honey and Tar. I cannot say too much in praise of it." D. C. Hardy.

It is wonderful how many have watches considering how few there are in the world to whom time really seems to be of any value.

TEN YEARS IN BED

"For ten years I was confined to my bed with disease of my kidneys," writes R. A. Gray, J. P. of Oakville, Ind. "It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a God send to me." D. C. Hardy.
